### Fort Duquesne

Fort Duquesne, on the present site of Pittsburgh, Pa. was settled by the French in 1754. In 1755 the English tried to capture it but were not successful. The winter of 1758 was very severe, and when the English heard that the garrison was too weak to offer much resistance, they sent an expedition to capture

it. The French however, had already evacuated the fort and burned it to the ground. Under English Control a new fort was built and called Pitt, in honor of William Pitt
